- **4. Proposed Plans for Land Development-P-25-20-POCONO CAMP AND GLAMP- 51-51-A2-** Received proposed plans, deed of property/properties, preliminary plan checklist, final plan checklist, agent authorization form, relief request letter, waiver request letter, Carbon County Planning Commission submitted application. Pocono Camp and Glamp is asking for a 90-day extension, bringing it through the end of October 2026.

WAIVER Subsection 210-7. and 210-9. Preliminary/Final Plans

Given the minor nature of the project, we are requesting a waiver to make a Preliminary/
Final Plan submission.

WAIVER Subsection 210-14.A. and B. Plan Scale and Size

Given the size of the site and adjoining properties we have used a 30 X 42 sheet for the plan set as well as a scale of 200 on Sheet 2 to be able to show enough detail.

WAIVER Subsection 210-14.D.(15) Easements/Rights-of-Way

There are no easements nor rights-of-way within the campground.

WAIVER Subsection 210-14.G.(4) and (6) Phasing/Proposed Subdivision

The proposal is a stand-alone phase and future subdivisions/phases are unknown at this time.

WAIVER Subsection 210-19.G.(3), (4), (5) and (6) Access Roads/Driveways

The existing access roads/driveways within the campground have existed for many years and are not proposed to be modified.

WAIVER Subsection 210-26.D. Lighting Standards

Since this is a campground, standard lighting requirements do not apply. However, existing lighting will be supplemented, where required, to adequately illuminate common and critical areas.

WAIVER Subsection 210-15.D.(7), (8) and (9) and 210-27., 28., 29. And 30. Improvements Requirements RELIEF REQUESTS

Since all improvements will remain private and not be dedicated, the applicant requests a waiver of these provisions.

Subsections that do not apply to our proposed project (relief requests):

Subsection 210-14. G.(2)(e) Environmental Resources Site Design

Assessment Since this is an existing campground within which existing footprint improvements are proposed, a site assessment serves no purpose.

JD_____ CR_____ SV_____ HD_____ JS_____

Subsection 210-14,G.(3) Landscape Plan Since the property is completely wooded except for the existing campground footprint, a landscape plan is not required.

JD_____ CR_____ SV_____ HD_____ JS_____

Subsection 210-14.G.(11) Traffic Impact Study The campground has been existing for many years without any known traffic problems.

JD _____ CR _____ SV _____ HD _____ JS _____

Subsection 210-15.C.(3) and (4) Lot Lines/Setbacks There are no proposed lots with the corresponding setbacks.

JD _____ CR _____ SV _____ HD _____ JS _____

Subsection 210-15.D.(5), (11) and (13) Improvements/Land Dedication & Outside Agency Approvals There are no public improvements to be dedicated, no areas to be dedicated, no agencies providing water or sewer service to the project and no connection to a PennDOT road.

JD _____ CR _____ SV _____ HD _____ JS _____

Subsection 210-19. Block/Lot Design Standards There are no blocks nor lots proposed for the project.

JD _____ CR _____ SV _____ HD _____ JS _____

Subsection 210-20. Street Design Standards There are no proposed streets for the project.

JD _____ CR _____ SV _____ HD _____ JS _____

Subsection 210-26.B. and E. Natural Feature Preservation/Open Space and Recreation Since all proposed work is within the footprint of the existing campground, natural features are not impacted except where absolutely necessary and there is no open space nor recreation land proposed.
